## **RESOLUTION SUPPORTING THE GREEN GROWTH TOOLBOX**

WHEREAS North Carolina's natural resources provide many economic benefits, including income from outdoor recreation and tourism, maintenance of the training missions of Fort Bragg, and production of local goods from farming and forestry,

WHEREAS conservation of North Carolina's natural resources is key to maintaining clean water and air, reducing drought, preventing floods, and enhancing quality of life,

WHEREAS certain patterns of development in North Carolina can adversely impact these natural resources,

WHEREAS, Sustainable Sandhills recognizes the benefits of developing communities while conserving natural habitat, biological diversity, and other natural resources for future generations, and

WHEREAS, the Green Growth Toolbox contains information, recommendations, and resources that will assist the communities of Moore County to conserve these valuable natural assets as the area experiences beneficial economic growth,

NOW THEREFORE, we, the Board of Directors of Sustainable Sandhills do hereby endorse the use of the Green Growth Toolbox by elected officials, staff, and residents of the communities of Moore County to inform planning decisions.

Resolved this the 9<sup>th</sup> of November, 2010.
