

Sustainable Sandhills Harnett County Community Action Team Meeting

**“KING CORN” SUSTAINABLE FILM
SCREENING AND DISCUSSION**

Sustainable Sandhills is a non-profit organization working to raise awareness in the community about various green topics. Please join us for a fun night, free movie and great discussion.

“King Corn” is a feature documentary about two friends, one acre of corn, and the subsidized crop that drives our fast-food nation. Ian Cheney and Curt Ellis, best friends from college move to the heartland to learn where their food comes from. When they try to follow their acre of corn into the food system, what they find raises troubling questions about how we eat—and how we farm.
