## Time to Renew Your Membership! Become a Member Now!

Dear Sustainable Sandhills Subscribers:

Just like everyone, we've got lots to do this holiday season – but our work can't stop. We can't afford to take a break from our sustainable initiatives in the schools, with local businesses, and in the communities that we serve. While your families and friends get together and celebrate the season, please show your support and remember to update your 2011 membership with Sustainable Sandhills.

For people on your list that have everything, give the ***Gift of Sustainability*** with a Gift Membership. Acknowledge their dedication to our sustainable initiatives throughout the Sandhills Region with a Gift Membership of \$25, and we'll provide a letter thanking them for their support and acknowledging their membership.
