

Conserving our natural resources through education, demonstration, and collaboration.

Keller Williams Realty becomes a Sustainable Sandhills Certified Green Business!

[Keller Williams Realty](#) is the second largest real estate franchise in the United States. The Fayetteville office of Keller Williams Realty is located on Executive Place near Downtown Fayetteville, and they have recently completed their initial certification as a **Sustainable Sandhills Certified Green Business!**

Keller Williams Realty's sustainability promise includes a commitment to educate and empower their customers to make more informed decisions about the health, energy efficiency, and environmental sustainability of their homes and communities. The Fayetteville office of Keller Williams Realty is doing just that - in fact, they recently held a meeting focused solely on green and environmental efforts!

The printers and copiers used by Keller Williams have a duplex function where both sides of the paper are used. They have discontinued use of styrofoam and even use office paper, paper towels, toilet paper, and remanufactured toner cartridges that contain recycled content. The office also works to recycle paper products, cardboard, paperboard, aluminum cans, tin cans, plastic, glass, toner cartridges, and inkjet cartridges.

It is obvious that the Fayetteville office of **Keller Williams Realty** embraces their sustainability promise and really cares about environmental efforts. **Keller Williams Realty's Sustainable Sandhills Green Business Certification** will last for one year. Keep up the good work, **Keller Williams Realty**, and thank you for being a community leader by having such a sustainable business!

*Green businesses reduce waste, promote recycling, become energy and water efficient, purchase eco-friendly products, and educate their employees and customers about the multiple benefits of a sustainable community.
