

Sustainable Sandhills on TV!

Sustainable Sandhills works to educate the community about conservation. Our Development Director Heather Brown is the featured interview this month on the "PWC Connections Conservation Corner" TV show!

Please watch the PWC Connections TV show on Carolina 60 at 10 am & 4 pm each Tuesday to see Heather and learn about conservation, local farming and the **Sustainable Sandhills Urban Farm Tour on April 11**. To watch the show now, please visit the Fayetteville Public Works Commission Web site (<http://www.faypwc.com>).
