Two Great Annual Events Coming Up in November

Mark your calendars now for Sustainable Sandhills' *Pickin' on the Porch* and the Regional Sustainability Symposium

Our third annual **Pickin' on the Porch Backyard Barbecue and Acoustic Concert** will be held **Thursday, November 10th** from 5:30 to 9:00pm at the home of Jon and Caroline Parsons in Grays Creek. This fundraising event is a chance to eat delicious food, listen to great music, and support your favorite grassroots sustainability organization. Like previous years, your ticket gets you dinner, drinks, and music at the

lovely and historic home of Jon and Caroline Parsons. The front yard and starry sky create the perfect mood as The Parsons play their favorite songs from the front porch of their restored 1940s farm house. We hope you can join us for this lovely evening of food and fellowship!

Tickets for this great event are on sale **NOW** and can be purchased via paypal on the [event website](#), by phone at **910-484-9098**, or stop by the Sustainable Sandhills office at 215B Williams Street in Fayetteville.

Sustainable Sandhills is partnering with the Moore County Chamber of Commerce for the **Second Annual Regional Sustainability Symposium** on *Wednesday November 30th*, 9:00am to 3:00pm at the Pinehurst Resort in Pinehurst, North Carolina. This year's Symposium will once again bring in speakers from around the region to discuss best

practices for working towards a sustainable future. This year's event will focus on incorporating new models of sustainability into businesses and communities. Keynotes and breakout session speakers will discuss the benefits of more sustainable models, and offer local examples and insight into the process of achieving them. **This event is open to the public, and offers something for everyone in this region.**

If you are interested in being a **sponsor** or **vendor**, contact Brenda Johnson at brendaj@sustainablesthills.org. Details about the event and ticket information available soon!
